WHY YOU'LL ❤️ SEBO FELIX PREMIUM

Pull Out Hose
Above the floor cleaning.

User friendly ergonomic handle
for operator comfort

Variable suction control slides to adjust between 0-1300W of power.

Quick release adjustable wand height.

Flat to the Floor Cleaning
Only 22cm high when flat to the floor. Cleaning under the lounge and bed has never been easier.

Side Arm Carry Handle
Above the floor use.

Colourful and stylish pattern makes a fashion statement.

Push button to detach main unit for lightweight, portable use.

Flex neck technology provides the ultimate in vacuuming manoeuvrability and control.

Multi Level Floor Cleaning
4-level manual brush height adjustment dial for varying carpet heights.

Deep Cleaning Powerhead
The ET-1 powerbrush for through and effortless cleaning of rugs and carpet.

Indicator Warning Lights
Operator friendly warning lights on the powerbrush to indicate brush roller 'on' - Green, brush roller 'off' - Orange and Red, check brush.

Tough & Durable Parquet Brush
Professional head to clean and protect hard floors.

For use on delicate or niche floor surfaces please contact SEBO Customer Service or your Flooring Provider.
